to join us at the launch of*

# Little Rascals Pre-Prep

**28th February 2019  
6.30pm - 8.00pm**

# Little Rascals Pre-Prep

We are delighted to introduce you to Little Rascals Pre-Prep.

Little Rascals Pre-Prep provides coeducation for children aged 3 years and over, where children arrive excited and ready to learn. We encourage children to develop and build upon their abilities in all areas of learning and take pride in their achievements. As the first step of your child's educational journey, Little Rascals Pre-Prep provides the opportunity to explore, socialise and learn, in a setting which offers security, nurture and challenge.

Within the structured Pre-Prep day children quickly gain independence, self-confidence and an enthusiasm for learning. Emphasis is placed on trying one's best, and being kind and tolerant of others and their points of view. Our innovative and exciting curriculum encourages the children to develop all the characteristics needed for effective learning. We work in partnership with parents to prepare children for entry into a range of well regarded schools in the local and surrounding areas.

The learning environment at Little Rascals Pre-Prep is equipped with state of the art educational resources, making it suitable for a variety of activities, either child led or teacher led. Each day, the team nurture the children's natural curiosity, creativity and critical thinking, through fun, play-based tasks. This helps them to become independent and to think for themselves. Initiative is praised and the resulting self-confidence helps children develop a positive attitude towards learning.

*If you have any queries, or would like to attend the event please contact either Pre-Prep Manager, Charlotte Nash or Early Years Teacher, Rachel Cooper.*

4 Clanricarde Gardens, Tunbridge Wells TN1 1PE
